

WHY WE ARE A GOOD CHOICE FOR YOUR POST-LOCKDOWN OFFICE.

Lower footfall and less capacity in our workplaces with the average building being 7000 sq ft.

33 workplaces across London helping client's to spread coverage closer to relevant tube stations and reduce exposure to risk.

Social distancing measures in place including protective reception screens & guidelines.

One full-time member of Boutique staff per workplace with access to PPE.

Smaller breakout & communal spaces.

Smaller building's mean an average of 5 offices per floor allowing client's to minimise contact.

Communal areas have had **Zoono antimicrobial deep-clean applications.**

Fresh airflow via opening windows or A/C which is maintained regularly.

Increased cleaning measures & hand sanitiser stations.

Private offices only & no co-working. Self-contained floors & wings also available.

No Deposit required, flexible short term agreements & affordable desk rates.

Workplaces in Ealing & Wimbledon with onsite car parks & rail connections widening the choice of travel.
